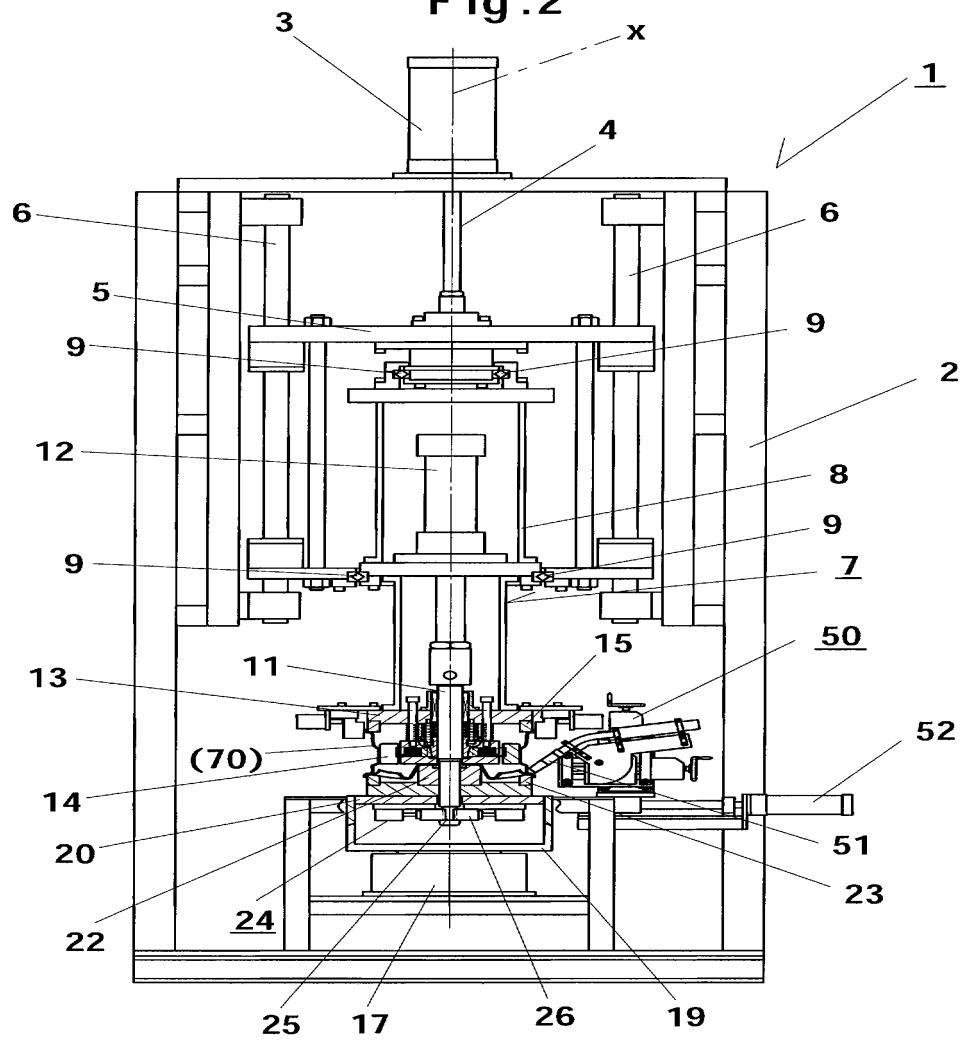

Fig.3

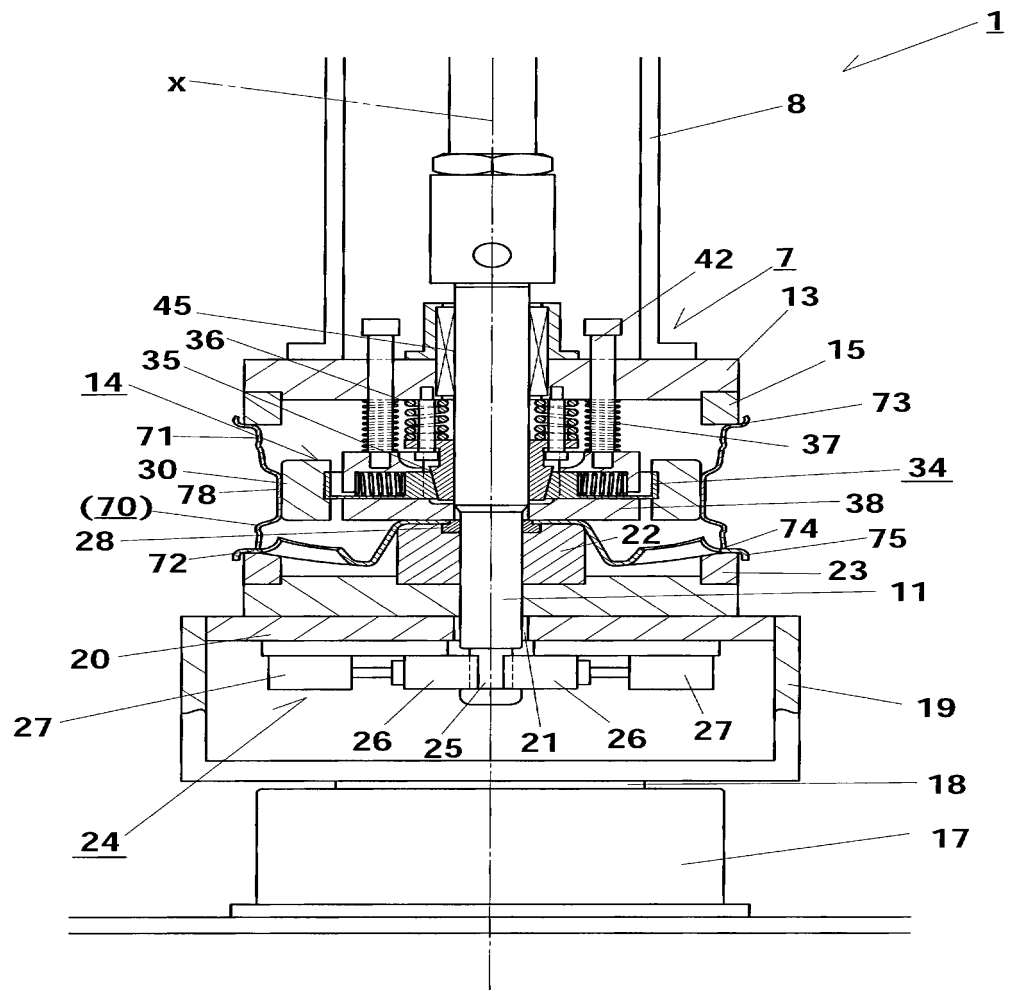

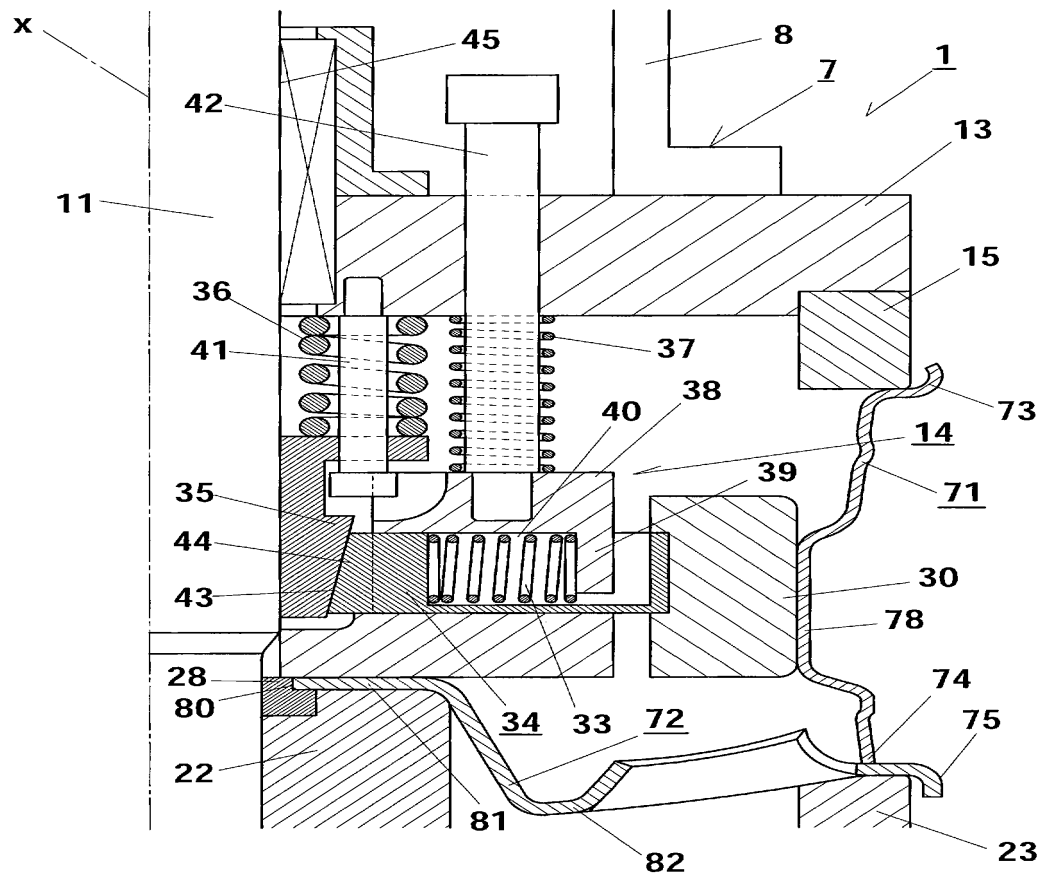

Fig.4

Technical drawing of a mechanical assembly in cross-section, showing a central shaft with various components labeled with numbers 1 through 42. The assembly includes a base (17), a housing (18), and a central shaft (11) with various seals, bearings, and adjustment mechanisms. A vertical rod (8) passes through the top, and a horizontal rod (7) is also shown. The drawing is a detailed cross-section showing internal components like springs (37, 38), seals (33, 34), and adjustment screws (41, 42).
